Are You Prepared to Return Your Workers Safely as You Re-open Your Business?

Do you have a plan in place to keep your workers safe during the re-opening? Does your plan allow workers to feel safe and trust that you are doing everything to keep them safe and keep them from being exposed to COVID-19? Do you have the person identified as Pandemic Safety Officer?

RJR Safety Inc. has developed a basic Plan using the latest CDC and OSHA Guidance. [Read More...](#)
