Rig Pass****OSHA 10-Hour
General Industry****First-aid/CPR/AED*****All in-person
classes are
cancelled through
July 15, 2020*****The Safety Committee Role During the
COVID-19 Pandemic**

The Safety Committee, by design, is a combination of workers and management working together to improve safety and health in the workplace. What role can it play in the workplace as businesses re-open, ramp-up from scaled back operations, or continue to operate during the COVID-19 Pandemic and immediately afterwards?

[Read More!](#)**Open-Enrollment Classes Cancelled
through July 15**

RJR Safety Inc will not conduct in-person open enrollment classes through July 15, 2020 at which time a decision will be made to conduct open enrollment classes or not. We are able to conduct virtual Instructor-led classes for SafeLand USA and Hydrogen Sulfide (H₂S) Safety classes as well as blended learning classes for American Red Cross First-aid/CPR/AED training. RJR Safety Inc is available to conduct any virtual Instructor-led training on a contracted basis for a company or organization.

For more information or to discuss training needs, contact Wayne Vanderhoof CSP, RJR Safety Inc., at wayne@rjrsafety.com or 724-809-4234.

**COVID-19 - Hindsight is 20/20,
Will We Use It?**

It is said that "hindsight is 20/20". The smart thing to do is to take the lessons learned and apply them to future events. In the case of COVID-19, what have we learned? Consider these two questions:

1. How should we have handled the initial COVID-19 outbreak?
2. How should we handle the recurrence of a COVID-19 outbreak?
