H2S Safety**SafeLand USA - AWARE Rig Pass****OSHA 10-Hour General Industry****First-aid/CPR/AED*****All in-person classes are cancelled through July 31, 2020*****Upcoming Events****PIOGA 2020 Fall Conference**
September 22-24, 2020
Seven Springs Resort**MASHA Conference**
October 29, 2020
RLA in Cranberry PA**Safety Tunnel Vision Due to COVID-19**

We need to make a conscious effort to not get tunnel vision focusing only on protecting workers from contracting or being exposed to COVID-19. We need to continue focusing on worker safety during the day-to-day operations of our plants, processes, and equipment.

[Read More!](#)**My Recent Heat Stress Story**

Let me tell you a personal story about heat stress.

A couple of weeks ago, I made plans to remove the stove pipe from the roof and living room as we no longer had the wood stove for which the stove pipe was installed when the house was built about 20 years ago...

I started to feel "shaky" and light-headed. That feeling of being light-headed on a roof caused me some concern...

[Read More!!](#)**Open-Enrollment Classes Cancellation Extended through July 31**

RJR Safety Inc will not conduct in-person open enrollment classes through July 31, 2020 at which time a decision will be made to conduct open enrollment classes or not. We are able to conduct virtual Instructor-led classes for SafeLand USA and Hydrogen Sulfide (H₂S) Safety classes as well as blended learning classes for American Red Cross First-aid/CPR/AED training. RJR Safety Inc is available to conduct any virtual Instructor-led training on a contracted basis for a company or organization.

For more information or to discuss training needs, contact Wayne Vanderhoof CSP, RJR Safety Inc., at wayne@rjrsafety.com or 724-809-4234.
