### **CPWR Releases an Online COVID-19 Exposure Planning Tool**

The Center for Construction Research and Training (CPWR) has recently released a free COVID-19 Exposure Planning Tool that (from their website) "...takes you step-by-step through developing a plan to protect employees and prevent the spread of COVID-19 on the job site. Steps include what to consider when conducting a job hazard analysis for COVID-19, selecting appropriate controls, screening workers and visitors, training employees, and implementing the plan."

### **OSHA Proposes Penalties for Companies for COVID-related Violations**

In an October 11, 2020 News Release, The US Department of Labor announced that OSHA had proposed penalties in excess of \$900,000.00 in Coronavirus pandemic-related violations from the start of the pandemic through October 1, 2020. OSHA had cited over sixty establishments for violations for failure to:
