OSHA 300A – Any Useful Information?

Many companies have had to complete and post their OSHA 300A Annual Summary for 2021. While it is an exercise required by OSHA, it also gives good indications as to how a company is doing more so as a lagging indicator... Information that can be gleaned from an OSHA 300A Annual Summary include...[Read More...](#)

Planning for the 2022 Fall Prevention Stand Down

Fatalities caused by falls from elevation continue to be a leading cause of death for construction employees, accounting for 351 of the 1,008 construction fatalities recorded in 2020 (BLS data). **Those deaths were preventable...**there are many worker fatalities in the manufacturing/industrial industries (General Industry) as well that were just as tragic and just as preventable...[Read More!](#)

2022 Open-Enrollment Training Schedule

The 2022 open-enrollment Training Schedule is posted on the [Training page](#). The upcoming classes are listed on the left side of this newsletter. Many, many other topics are available for in-person classes as well as virtual training.
