### **Cold Weather Safety – Driving & Working**

As Winter settles in on us, we need to be prepared to work safely in the impending cold weather which includes driving in less than perfect conditions created by the cold weather. NHTSA recommends that driver slow down during snow and/or sleet conditions as it is harder to control or stop your vehicle on a slick or snow-covered surface. Outdoor workers must be protected from the cold weather... [Read More...](#)

### **OSHA Expands Rule for Injury Data Submission**

OSHA is expanding the electronic submission requirements for injury and illness data by employers in high-hazard industries which takes effect Jan. 1, 2024, for certain employers with 100 or more employees in designated high-hazard industries... This expanded rule requires ... [Read more...](#)
