Workers' Compensation EMR - Changes Are Coming

In the 36 states where the National Council on Compensation Insurance (NCCI) governs the workers' compensation system, such as West Virginia, substantial changes are on being implemented this year on a rolling basis. Pennsylvania, which operates with a distinct experience rating plan, has announced revisions to be effective 4/1/2024.

Heat Injury Prevention Standard Released

The American Society of Safety Professionals (ASSP) has published the first national voluntary consensus standard addressing heat stress for workers in construction and demolition operations. ANSI/ASSP A10.50-2024 "Heat Stress Management in Construction and Demolition Operations" offers guidance on protecting workers...[Read more...](#)
